Confused by PIA Inquiry Questions?

- If you receive a PIA inquiry and are confused, you may e-mail your PIA reviewer using the contact information provided at the bottom of the initial PIA inquiry e-mail.

If you have any questions as you work through your responses to the PIA review inquiries, please feel free to contact me via the phone number or e-mail address provided below. Please do not use e-mail to submit your responses to the PIA review inquiries. USAC will not review responses to PIA review inquiries sent to the reviewer's email address. All PIA responses must be submitted in EPC. Again, please be sure to provide complete responses to all of the PIA questions. If you need additional time to prepare your response, you may request an extension. Click the "Request Extension" button, located at the top of the "Review Inquiries" page in EPC. Your first extension request will be automatically granted, and you will receive an additional seven days to respond. - You also may contact your state E-rate coordinator, Julie Tritt Schell, if you are unsure how to answer a question
 - If you do, please provide a copy of the actual PIA questions

Deadline to Reply

- PIA inquiries typically provide applicants with 15 days to respond.
 - You are encouraged – strongly – to respond as soon as you receive the e-mail. The sooner you respond, the sooner you'll receive your E-rate FCDL.
- If you haven't responded to the PIA inquiry within 7 days of the initial request, PIA will send you a reminder
- If you haven't responded after 15 days, USAC may act on the information they already have to make a funding decision (which typically means denial)

Requesting an Extension

- Applicants can request a single, 7-day extension of the original deadline if you need more time. To do so, access your PIA Inquiry in EPC, click **Request Extension** at the top of the page.
- The first extension request will be automatically granted. If you still need more time, you must have a good reason to need extra time, and PIA will review your extension request before making a decision.
